Subpart E—Relief from Interest Payment

§ 606.40 May/September delay.

Subsection (b)(3)(B) of section 1202 of the Social Security Act permits a State to delay payment of interest accrued on advances made during the last five months of the Federal fiscal year (May, June, July, August, and September) to no later than December 31 of the next succeeding calendar year. If the payment is delayed, interest on the delayed payment will accrue from the normal due date (i.e., September 30) and in the same manner as if the interest due on the advance(s) was an advance made on such due date. The Governor of a State which has decided to delay such interest payment shall notify the Secretary of Labor no later than September 1 of the year with respect to which the delay is applicable.

§ 606.41 High unemployment deferral.

(a) *Applicability.* Subsection (b)(3)(C) of section 1202 of the Social Security Act permits a State to defer payment of, and extend the payment for, 75 percent of interest charges otherwise due prior to October 1 of a year if the UIS Director determines that high unemployment conditions existed in the State.

(b) *High unemployment defined.* For purposes of this section, high unemployment conditions existed in the State if the State's rate of insured unemployment (as determined for purposes of 20 CFR 615.12) under the State law with respect to the period consisting of the first six months of the preceding calendar year equalled or exceeded 7.5 percent; this means that in weeks 1 (that week which includes January 1 of the year) through 26 of such preceding calendar year, the rate of insured unemployment reported by the State and accepted by the Department under 20 CFR part 615 must have aver-

aged a percentage equalling or exceeding 7.5 percent.

(c) *Schedule of deferred payments.* The State must pay prior to October 1 one-fourth of the interest due, and must pay a minimum of one-third of the deferred amount prior to October 1 in each of the three years following the year in which deferral was granted; at the State's option payment of deferred interest may be accelerated.

(d) *Related criteria.* Timely payment of one-fourth of the interest due prior to October 1 is a precondition to obtaining deferral of payment of 75 percent of the interest due. No interest shall accrue on such deferred interest.

(e) *Application for deferral and determination.* (1) The Governor of a State which has decided to request such deferral of interest payment shall apply to the Secretary of Labor no later than July 1 of the taxable year for which the deferral is requested.

(2) The UIS Director will determine whether deferral is or is not granted on the basis of the Department's records of reports of the rates of insured unemployment and information obtained from the Department of the Treasury as to the timely and full payment of one-fourth of the interest due.

§ 606.42 High unemployment delay.

(a) *Applicability.* Paragraph (9) of section 1202 (b) of the Social Security Act permits a State to delay for a period not exceeding nine months the interest payment due prior to October 1 if, for the most recent 12-month period prior to such October 1 for which data are available, the State had an average total unemployment rate of 13.5 percent or greater.

(b) *Delayed due date.* An interest payment delayed under paragraph (9) must be paid in full not later than the last official Federal business day prior to the following July 1; at the State's option payment of delayed interest may be accelerated. No interest shall accrue on such delayed payment.

(c) *Application for delay in payment and determination.* (1) The Governor of a State which has decided to request delay in payment of interest under paragraph (9) shall apply to the Secretary of Labor no later than July 1 of
